(It may even say PSE&G on your Caller ID.)

**THREATEN** to turn off your power  
within the hour.

**DEMAND IMMEDIATE PAYMENT**  
often by prepaid card or fund  
transfer app.

### **Important notes:**

Customers scheduled for service disconnection due to nonpayment receive **written notice on their bill at least 15 days in advance**. Customers can check account status online: MyAccount or mobile app. Having trouble paying your bill? Reach out to PSE&G.

## **SUSPECT A SCAMMER?**

Here's what to do:

If you have any doubts,
