

Mayor Nicholas Sacco and the North Bergen Recreation Department Present

NORTH BERGEN MUNICIPAL POOL GENERAL INFORMATION FOR THE 2022 SEASON

- The opening date for the pool season will be Saturday, June 4 at 11 a.m.
- Pool operating hours will be from 11 a.m. to 7 p.m.
- 2022 registrations will be open to residents of North Bergen & Guttenberg only.
- Out of an abundance of caution, at this time members will not be allowed to bring guests into the facility.

Annual Memberships

- The North Bergen Pool will be resuming its traditional membership program for the 2022 season. Despite sharply rising costs, annual membership rates will remain the same as they were when last offered in 2019. All registrations will be done in person at either the North Bergen Recreation Center or at the North Bergen Pool. Registration details including dates, locations, and hours of operation are TBA.

New for 2022

- In addition to traditional memberships, the pool will be offering a new “per diem” membership category. Members opting for a per diem category will have to register for this option, have photos taken, and provide the same proofs of residency as any other membership type, but will pay nothing at the point of registration. They will then have the option of coming in for a single day at a time. Reservation and payment will be done in advance via a new online registration system. A maximum of one hundred per diem members will be allowed each day based on the discretion of management. The per diem cost will be \$10 for adults (16+) \$8 for children (under 16) and \$5 for senior citizens.
